REQUEST FOR CORRECTED FILING RECEIPT

Sir:

Upon reviewing the Updated Filing Receipt mailed January 23, 2004 for the above-identified application, Applicants have noticed that the filing date and the Title are now incorrect. Both had been correct on the original Filing Receipt for this application. Accordingly, Applicants respectfully request that the Updated Filing Receipt be corrected to reflect the correct filing date of January 25, 2002, instead of May 7, 2002. In addition, Applicants respectfully request that the Title of this application be corrected back to the original Title, as follows:

**INK JET HEAD, ACTUATOR TESTING METHOD, METHOD OF
MANUFACTURING INK JET HEAD, AND INK JET RECORDING APPARATUS**

For confirming this information, enclosed are copies of Applicants' transmittal form showing the submission of Applicants' Response to Notice to File Missing Parts and the return postcard for same, as well as a printout from the Patent Office's Patent

Application Information Retrieval ("PAIR") system, showing the Application history beginning with the January 25, 2002 filing date, and the subsequent completion of all filing requirements.

Accordingly, Applicants request that the Patent Office's records be corrected as to these two items, and that a Corrected Filing Receipt be issued.
